

Art of Teaching Grant Application Checklist

For Martha's Vineyard and Falmouth public school educators and administrators. Awards are up to \$1,500 per application.

Eligibility:

- ☐ You are a teacher or administrator in the Martha's Vineyard or Falmouth public school district.
- ☐ Your project extends learning beyond the core curriculum, for example equipment or instructional materials for math, science, or language arts, or creative writing workshops.
- ☐ You are applying for a specific grade, department, or curriculum within one of the two public school systems.

Your application must include:

- ☐ A description of the project and the students it will reach.
- ☐ A project budget.
- ☐ A plan for outreach and communication.
- ☐ The amount requested, up to \$1,500. Also, how additional project costs will be raised if the project is not fully funded, and if there is a contingency plan for how the project will go forward without full funding.

Timing: Applications generally open a couple weeks before the start of the school year and close around the end of September. Exact dates vary each year. There will be submission links on our Charitable Foundation page during this period.
