Martha's Vineyard Bank Named Among Best Banks to Work For in 2020 by American Banker

Edgartown, MA – American Banker has once again named Martha's Vineyard Bank among the best bank employers in the country.

Citing a year that "tested bank executives' ability to manage during a crisis," American Banker asked leaders from each bank how they kept employees engaged and motivated. While all agreed that communication was key, Martha's Vineyard Bank President and CEO James M. Anthony credited the Bank's focus on building a culture of trust for helping employees work together through the challenges raised by the pandemic.
