

Patriot's day at MVSBS was on Friday, January 19th to congratulate the New England Patriots for earning another trip to the AFC Championship Game. To show the Banks team spirit, and to support a local non-profit, staff were invited to participate by donating a minimum of \$5 worth of non-perishable food items for the Island Food Pantry, and in return were able to wear their Patriots gear to work for the day.

The Bank collected a trunk full of food items, from staff and some customers. All told, ten grocery totes, and four laundry baskets full were delivered on Tuesday afternoon, for Wednesday, January 24th pantry hours. Go Pats!
