Martha's Vineyard Bank to Undertake Renovations at Two Locations

Edgartown, MA – Martha's Vineyard Bank announced renovations at two of its locations starting this week.

The finishing touches on last years' renovation of our Uncas Avenue location will be completed. The Uncas Avenue location and ATM in Oak Bluffs will be closed for one week starting at the close of business on Saturday, November 9th and will reopen on Monday, November 18th to complete electrical work. The Flying Horses location will be open to serve our Oak Bluffs customers during this time, after which it will seasonally re-close until April 2020.

In addition, a project to straighten the lobby floor, do some roof maintenance, and create new teller stations and consultative spaces to better serve our customers starts at our Edgartown Main Street location on Tuesday, November 12th. The branch will remain open as a full-service location throughout the renovation with adjusted hours: 9am to 2pm and 3pm to 5pm, Monday through Friday. The ATM will be available for deposits and cash 24/7.

During the Edgartown Main Street location renovation, we ask that customers visit the Edgartown Post Office Branch to open an account or get an instant issue debit card.

As always, we have mobile deposit and online banking available 24 hours-a-day, 7 days-a-week. We apologize for any inconvenience and hope you will appreciate the renovations when they are complete. Please visit mvbank.com for updates and location business hours.
